

Regulations on fees for the evaluation of products for registration in the Input list for organic agriculture

Overview

Service		Costs in € net	
(1)	First Evaluation	250.00	once per product
	<ul style="list-style-type: none"> • Additional hourly rate, depending on additional effort during evaluation procedure • Expert statement, evaluation of individual components for organic input products (cost estimate on request) 	100.00	per hour
		100.00	per hour
(2)	Listing / Publication in the		
	<ul style="list-style-type: none"> • next printed German Input list • lists of German organic associations (currently Bioland, Demeter, ECOVIN, Gaa, Naturland) • online product search on www.betriebsmittelliste.de/en • online product search on www.demeter.net/approved-inputs • online product search on www.inputs.eu (website of the EU Input list) 	100.00	per product/year
(2.1)	Quantity discount from the 16 th product/applicant	50.00	per product/year
(2.2)	Publication of a product in additional category	50.00	per product/year
(2.3)	Publication of a product under different trade names (does <u>not</u> apply to listing through various companies)	100.00	per trade name/year

To (1) First Evaluation

The fee does not depend on the results of the evaluation and it is therefore not dependent on any of the publications mentioned under (2).

To (2.1) Quantity discount

If more than 15 products are registered by the same applicant, we offer a quantity discount. The listing fee according to (2) is reduced for the 16th and every further product.

To (2.3) Product listing under different trade names

If a product is registered under multiple trade names, the listing fee for every further trade name is charged according to (2.3).

You will receive information on services not listed in the regulation on fees upon request.

All amounts stated are exclusive of value added tax (VAT).

We will inform you about changes of the regulation on fees in written form or per e-mail.
